Calling all Content!

You may have noticed the last few newsletters looking a little slim. That's because we need to hear from you! Historically, it's been part of the role as committee chair to include an update of church goings-on in each monthly newsletter.

With the decline in participation, we are rethinking the purpose of having a monthly publication. These next few months will help us make an informed decision as to the fate of the newsletter.

What can you do to help?

Send us a contribution to the newsletter! Whether it's a community joy or a committee update, send something in! If you're not sure where to start, contact Chelsea Holt at Chelsea@getvie.com for submission guidelines, upcoming deadlines, and general assistance. If you'd like to continue receiving the monthly newsletter, let us know! Send an email to _____ and let us know why.
