Let's Give Thanks

Good friends, sweet families, yummy food, a loving God - we have so much to be thankful for! Throughout November, we will focus on giving thanks for all of our many blessings. We will also learn the importance of sharing our blessings with those who are less fortunate. One of the ways we can help others is through the Orange Presbyterian "Blessings Box". All month, we will take donations of non-perishable food items to share with the community. A donation box will be located inside the preschool entrance. Children will have the opportunity to restock the blessings box on their way to the playground. We know this will add richness to the season of Thanksgiving.

We are so thankful for a successful launch of My Morning Out! One month into this new program and we are so excited about how it is going. If you or someone you know would benefit from this program, we would love to have you!

Our Grymes Reading Buddies visited the 4-year-old class for the first time last month. It was a wonderful visit and we are thankful for these special friends. We will look forward to seeing them again this month!
